

FOR SHOWER CUBICLES & INTERNAL DOORS

SL-ED-11-SET

Standard Sliding System

Edge Line sliding system is a self supporting sliding system for in line & 90° doors. Recommended for installation shower cubicles, this system supports the track on the fixed glass itself. A shower threshold is available to ensure 100% water tightness even below the sliding doorway. Standard sets are available for 1.65mtr & 2mtr opening.
